

13. Scalene triangle – sketch, definition/geometric property, construction
14. Right-angled triangle – sketch, definition/geometric property, construction
15. Triangle median – sketch, definition/geometric property, construction
16. Triangle centroid – sketch, definition/geometric property, construction
17. Triangle altitude (height) – sketch, definition/geometric property, construction
18. Triangle orthocentre – sketch, definition/geometric property, construction
19. Quadrilateral – sketch, definition/geometric property
20. Square – sketch, definition/geometric property, construction
21. Rectangle – sketch, definition/geometric property, construction
22. Parallelogram – sketch, definition/geometric property, construction
23. Trapezium – sketch, definition/geometric property, construction
24. Regular hexagon – sketch, definition/geometric property, construction
25. Circle – sketch, definition, equation
26. Tangent line to the circle at the point lying on the circle – sketch, geometric property
27. Thales's theorem (circle) – sketch, definition/geometric property
28. Tangent line to the circle from the point lying outside the circle – sketch, construction
29. Circle inscribed into a triangle – sketch, geometric property, construction
30. Circle circumscribed around (circumcircle) a triangle – sketch, geometric property, construction
31. Axial symmetry – sketch, definition/geometric property, construction
32. Central symmetry – sketch, definition/geometric property, construction
33. Ellipse – sketch, definition, equation, geometric properties
34. Parabola – sketch, definition, equation, geometric properties
35. Hyperbola – sketch, definition, equation, geometric properties
36. Cube – 3D sketch, top and front views sketch
37. Sphere – equation, 3D sketch, top and front views sketch
38. Cylinder – equation, 3D sketch, top and front views sketch
39. Cone – 3D sketch, top and front views sketch
40. Pyramid – 3D sketch, top and front views sketch
41. Truncated cone – 3D sketch, top and front views sketch
42. Truncated pyramid – 3D sketch, top and front views sketch
43. Torus – 3D sketch, top and front views sketch
